# How does the March Member Madness Bracket Work?

Virginia Zoo Members are invited to participate in March Member Madness this year either by visiting the Zoo in person or virtually with our brand new bracket system in which Members get to choose which Virginia Zoo animal they would want to be on their basketball team. Members who wish to submit their bracket for points must fill them in completely and either 1) print out the bracket and bring it to our Membership Office or 2) fill out the first page of this editable PDF and email it to [info@virginiazoo.org](mailto:info@virginiazoo.org) by **4pm on March 13<sup>th</sup>**. Members will earn additional points for the following:

- Brackets turned in by **4pm on March 6<sup>th</sup>** receive an extra **4 points** automatically.
- Each correct guess in weeks 1 and 2 is worth **1 point**.
- Each correct guess in week 3 is worth **2 points**.
- Each correct guess in week 4 is worth **8 points**.

Vote for your picks on our Instagram Story on @virginiazoo throughout the month of March to maximize your chances of getting a correct bracket! Plus, Members receive extra fun facts about each animal in our Virginia Zoo Members Facebook group to help you choose the best teammates.

## Week 1:

- Monday, 3/2 - Vote which African Safari Trail animal you would choose for your basketball team:
  - Southern white rhino vs. Cheetah
